

# A Guide to Logging in to OU's Zoom Client

Prior to the site visit we recommend you download the Zoom Client:

<https://oklahoma.zoom.us/download>

To login from the Zoom Client with your OU credentials, click on the SSO key icon

The Zoom login interface features the Zoom logo at the top left. Below it are two input fields: "Enter your email" and "Enter your password" with a "Forgot?" link. A "Sign In" button is positioned below the password field. A checkbox labeled "Keep me signed in" is located below the "Sign In" button. A horizontal line separates this section from the "or sign in with" section, which includes three icons: SSO (a key icon), Google, and Facebook.

Enter oklahoma in the Sign In box and click continue

## Sign In with SSO

The "Sign In with SSO" form consists of a single input field containing the text "oklahoma". To the right of the input field is a dropdown menu currently showing ".zoom.us".

**Continue**

The OU Net ID login interface features the OU logo at the top. Below it is the text "One account. One university." followed by "Sign in to Zoom using your @ou.edu email or OUNetID/OUHSC User ID." There are two input fields: "@ou.edu or @ouhsc.edu Email or User ID" and "Password". A blue "Sign In" button is located below the password field. At the bottom, there are three links: "Norman Campus Forgot password?", "OUHSC Campus Forgot password?", and "Forgot OUNetID?".

A browser window should automatically open to prompt you to log in with your OU Net ID and password.

If the window doesn't open check your browser settings to ensure the window wasn't blocked by pop-up settings.

Once you sign in you should automatically be returned to the Zoom Client.

From the Zoom client you can set up meetings, see your schedule, and join meetings.

If you do not want to download the Zoom client, you can join Zoom meetings by using the invitation link and signing in with your OU Net ID when prompted.
